quintessential beach house is just one of a handful of homes located along this unspoilt beach.

A boat ramp nearby at the mouth of Saltwater Creek, is perfect for fisherman to access some of the best fishing in the region, or to take the 20 minute run out to Low Isles where snorkelling and swimming with the Turtles is addictive!

Newell Beach is a quaint beach side community with residential homes and a scattering of private holiday homes. Owners and guests alike prefer Newell Beach as their escape from the Port Douglas tourist season.

Just a 5-minute walk along the beach you will find the friendly Newell Beach Store, and close by are the Mossman Golf Club and Scomazzon's Roadside Farm Stall for local fresh local produce.

Cairns International Airport is just a 1hr 20 min drive from Newell Beach along the spectacular Captain Cook Highway that hugs the coastline of the Great Barrier Reef, with Mossman just 5 kilometres South of Newell for all township services and amenities.

Beautifully appointed to create a year round coastal ambience, a furniture package is negotiable where the new Owner could move straight in, or continue with marketing and generating an income from Boonooloo as a well renowned destination holiday home. There's also a fully automated endless bore fed system that waters the well-planned manicured tropical gardens daily.
